### CRAZY MINER YOUTH / FAMILY ENDURO ENTRY

Riders under 18 years of age must have a parent, legal guardian, or authorized adult fill out a minor release form and be present at sign-in and during event. An authorized adult requires a notarized statement from parent (both if joint custody) or guardian and the authorized adult is responsible for the minor for the day of the event.

# 2016 Crazy Miner Riders Meeting

## **Sign up:**

When you come to sign up be sure to bring your current D36 and AMA membership cards. If you just purchased either or both and don't yet have the actual cards be sure to bring your receipts. If you want to purchase one or both they will be available at sign up. District 36 cards are available in one year (\$30); two year (\$55), three year (\$80), family (\$65) and lifetime memberships (\$300); one day guest pass (\$10). AMA cards are available in one year memberships (\$49); one-day guest pass (\$20); Family Membership for up to 5 (\$98) and a Youth Membership ages 11&under (\$29).

At sign up if you have pre-registered and were included in the drawing you will pick up your scorecard and a helmet sticker with your row number after presenting your current D36 and AMA cards (or receipts). If registering at the meet you will be assigned a row number and be issued a score card and helmet sticker.

Tape the scorecard to your front fender and be sure not to cover up the check numbers on the left side or the boxes for each check where your time will be entered. Place the helmet sticker on the right (throttle) side of your helmet. Be sure to place it below the goggle strap so it is clearly visible. You will also need to place your assigned row number on your front number plate with the number at least 4" high and letter at least 3" high.

Riders listing "competition" on the entry form will be placed ahead of the riders marking "fun" on the entry form. Remember that the "competition riders will be riding aggressively.

## **Motorcycle Requirements**

You will need to have your bike sound tested and it must pass at 96 dba or less. You also must have a factory or aftermarket legal spark arrestor and current OHV registration sticker or license plate. These items will be checked at sound test and if any one or more of these items are not on the bike you will not be allowed to ride. Please note that the OHV sticker must be affixed to the bike and not on a temporary piece such as a "clip on". The sound test station may be open Friday afternoon and will be open at 7:00 am on Saturday the day of the enduro. The hours of operation will be posted at the sign-up area.

## **Start**

The riding number you're assigned is your starting time. Key time is 9:00 am so if you're riding (row) number is 20 you will start at 9:20 am (this is only an example). Be sure to be at the starting line and ready to go at least 15 minutes before your start time.

## **Gas**

Gas available will be back at camp at your vehicle.

## **Course**

Please note that due to the terrain that we have at Georgetown this course is not recommended for “PeeWee’s” even though we offer the class on the flyer.

The course is approximately 60 miles in length in two loops with you returning to the start area/camp for a break and gas. We are using a “Reset to zero” for the second loop. This means that you will reset to zero (0.00) at the start of the second loop. The course will be over single-track, double-track and some fire roads. We cannot keep weekend riders out of the forest so be aware of non-competitors that may wander onto the course.

The course will be marked with arrows at the corners and round dots to indicate you are “on course”. One arrow will be placed approximately 50 feet before the turn and pointing in the direction of the turn. Two arrows pointing in the direction of the turn will be placed at the turn. Please note that there may be exceptions to this depending on the terrain but all turns should be clearly marked. Three arrow pointing down will be placed well before a “High Skill” area to give the rider plenty of time to slow down.

### **The two most important things to keep in mind are:**

1<sup>ST</sup> ... NEVER RIDE BACKWARDS ON THE COURSE. If you do get off the course and ride backwards to return to the course stay as far to the right as you can and ride SLOWLEY!

2<sup>ND</sup> .... DON'T GET OFF OR LEAVE THE COURSE IF YOU HAVE A MECHANICAL BREAKDOWN OR INJURY. If for whatever reason you cannot continue and you leave the course our sweepers will not find you. Stay with your bike off to the side until our sweepers arrive. Our sweepers will assist you in getting back to camp but will not be equipped to make repairs to your motorcycle. If you have to leave your motorcycle please write down the mileage on your odometer so we can pinpoint the location for retrieval.

## **Finish**

TURN IN YOUR SCORE CARD!!!! When you finish we will have a crew that will take your scorecard and give you a finisher pin, however if for any reason you don't come across the finish line, such as returning to camp via another trail, bring your score card to the sign up area. We need to know your back!!! Also.....No matter how bad you think you did, you may very well be surprised.

Be Safe and have a Great Time!!!!

The members of CERA Thank You for your participation and support of our meet.
